

# Why I love WIS....

## FUN FACT:

WIS International has 300 employees that have been with the company 10-14 years!

*"I like WIS because of the travel to other cities and states. Seeing new cities is exciting and I get to experience stores and restaurants that I never would have before."*

**- Inventory Associate, Southern Division**

*"I have worked for WIS for 22+ years and what I like most about the job is the people. From the people that I work with and that work for me, to the customers that keep us in business and the wide variety of personalities that I interact with on a daily basis makes me smile. I have gotten the opportunity to develop solid business relationships and travel around the country. It has been the most rewarding job that I have ever had."*

**- Inventory Manager, Western Division**

*"I like WIS because I have made some great friends. I love that I travel all over the state and to cities I never knew of before. This job keeps me moving and the staff at WIS International is all a big help."*

**- Inventory Associate, Western Division**

*"I like WIS because they open an opportunity of reasonable hours for families struggling and for students having to pay for college. With WIS you can accelerate your career from Inventory Associate to Vice President of the company because in addition to being dedicated about their customer satisfaction, they value employee satisfaction as well. At WIS International you COUNT too!"*

**- Inventory Associate, Northeastern Division**

*"WIS international is a great place to work because there is room to advance within the company. They have all the resources needed to help you grow. They take pride in their employees."*

**- Inventory Manager, Western Division**

*"For 15 years I have been working for WIS International, employed in multiple offices, in two countries. Being employed by WIS around my school schedules and then being offered the opportunity to run my own office has been a great experience. The WIS motto has always felt like, "the sky is the limit" and senior management is always there to fuel the opportunity and aid in the success to keep reaching!"*

**- District Manager, Northeastern Division**

*"I love my job, it gives me the freedom to travel and explore new places. I have been with this company around nine years and I just can't imagine doing anything else."*

**- Field Representative, Retail Merchandising Services Division**

*"WIS has helped me appreciate working towards daily goals because I can view my performance and compare with my team members to continue to strive to do better. Our crew takes performance very seriously and it perpetuates an atmosphere that keeps me motivated to do better and better each time I pickup my WISard."*

**- Inventory Associate, Southeastern Division**

*"I like WIS because your hard work and dedication pays off. Your accomplishments are recognized and become stepping stones for advancement within the company."*

**- Area Manager, Western Division**

*"I can think of no other place where a 22 year old college graduate is given the opportunities that I have been afforded over the last 10 years. Each day has brought its own unique challenges and opportunities, but none have been as professionally gratifying as being able to promote the growth of the teams I have had the privilege of leading."*

**- Director of Operations, Southeastern Division**

*"As a Team Lead in this division I find that meeting new people is very exciting. It is also always a welcomed challenge to accomplish the projects that we have from day to day."*

**- Team Lead, Retail Merchandising Services Division**

*"I enjoy the friendships I have built as well as the traveling opportunities I have experienced here since working as a Van Driver. So far my experience far exceeds what I was expecting and there is no telling what's in store for the future!"*

**- Inventory Associate, Northern Division**

*"I have worked for WIS over 10 years and in that time I have been an Inventory Associate, Area Recruiter/ Trainer, and manager; but the most enjoyable part of my job is the people. WIS employees genuinely care for each other and band together when each other are in need. The people from the customers to the employees make this job fun, challenging, and interesting everyday and I wouldn't trade that for the world."*

**- Inventory Supervisor, Western Division**
